ATHLETIC DIRECTOR REPORT:

The softball complex is looking outstanding. A big thank you to Mike Weddle for all his effort. A big thank you to John Prusa with his help in improving the stadium.

The Soccer scoreboard should be done soon. We had some problems with the weather and want to get it up asap.

I had a good meeting with the city architects in regards to the concession stand/restrooms project. Would like the district to pay for drawing of phase 1 and phase 2. All in all it was a positive meeting.

There was an Athletic Directors meeting today with 18 AD's in attendance regarding the upcoming triple headers, in particular weekday triple headers. We will play weekday triple headers with the freshmen and J.V. playing simultaneously in the lower and upper gym. On Friday's the games should be played with freshman @ 4:30, J.V. @ 6:00 and Varsity @ 7:30.

Tim Bohannon asked about Staph Infection. Cyle answered that we purchased a fogger and disinfectant and run it at least twice a week. Basically staph is personal hygiene.

OLD BUSINESS:

Please get your wish lists to Cyle with a copy to the Booster Club. Cyle stated he received one.

Regarding the restroom/concession the architects weren't sold on the Steel Building proposal and said it has to be "prison proof". We will be getting some additional drawings for the concession, storage and bathrooms.

By-Laws- Kim DiSanto stated that a committee would be meeting and begin the re-draft of new or more up to date by-laws and would keep the Club informed.

NEW BUSINESS:

The Golf Outing is scheduled for Friday, June 13th and the Night at the Races for the 3rd Friday in April. We plan to raise the price of the Night at the Races to at least \$20.00 per person. The event is always sold out and the extra money can only be put to good use with our upcoming projects.

Fred Bonacci and Ron Underwood agreed to chair the Golf Outing and Barb Bailey and Kim DiSanto agreed to chair the Night at the Races.

No other new business.

Next meeting will be December 12th.
