

Your Help is Needed!

The Stow-Munroe Falls Athletic Booster Club is in the process of raising funds for completing the bathroom, concession stand (BCS) facility on the baseball/softball side of the high school and improving the weight room. We currently raise money through membership dues and various fundraisers throughout the year. However, as our level of involvement in the athletic programs continues to expand, our means has outstripped our ability to reach the desired ends, and it is to this end that we turn to Parents, Alumni and Community members for assistance.

This year we are asking you to express your support and pride with a sponsorship. SMFHS has a rich athletic heritage, and it is the continuation of this tradition the Booster Club hopes to maintain and foster.

Please consider helping by selecting a sponsorship level. All donations are tax deductible, and 100% of the proceeds will be used to complete the BCS and improve the weight room.

Please visit our web-site at www.smfboosters.com for information on the club. Thank you in advance for your support and donation to our student-athletes.

Sincerely,
